Rewriting Equations

Name:

Rewrite each number sentence using numerals and symbols.

1) N minus six equals seven

2) The product of six and D is twelve

3) one hundred divided by A equals ten

4) F plus six equals fourteen

5) The difference between fourteen and T is four

6) ten times P equals thirty

7) Y divided by ten equals ten

8) The sum of R and nine is thirteen

9) G minus one equals seven

10) seven times U equals sixty-three

11) one hundred divided by E equals ten

12) The sum of one and C is four

13) eleven minus W equals four

14) six times Z equals forty-eight

15) one hundred divided by H equals ten

16) seven plus B equals ten

17) The difference between eight and K is two

18) The product of ten and J is sixty

19) one hundred divided by M equals ten

20) eleven minus B equals six

Answers

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____
11. _____
12. _____
13. _____
14. _____
15. _____
16. _____
17. _____
18. _____
19. _____
20. _____

1-10	95	90	85	80	75	70	65	60	55	50
11-20	45	40	35	30	25	20	15	10	5	0

Rewriting Equations

Name: **Answer Key**

Rewrite each number sentence using numerals and symbols.

1) N minus six equals seven

2) The product of six and D is twelve

3) one hundred divided by A equals ten

4) F plus six equals fourteen

5) The difference between fourteen and T is four

6) ten times P equals thirty

7) Y divided by ten equals ten

8) The sum of R and nine is thirteen

9) G minus one equals seven

10) seven times U equals sixty-three

11) one hundred divided by E equals ten

12) The sum of one and C is four

13) eleven minus W equals four

14) six times Z equals forty-eight

15) one hundred divided by H equals ten

16) seven plus B equals ten

17) The difference between eight and K is two

18) The product of ten and J is sixty

19) one hundred divided by M equals ten

20) eleven minus B equals six

Answers

1. **N - 6 = 7**
2. **6 × D = 12**
3. **100 ÷ A = 10**
4. **F + 6 = 14**
5. **14 - T = 4**
6. **10 × P = 30**
7. **Y ÷ 10 = 10**
8. **R + 9 = 13**
9. **G - 1 = 7**
10. **7 × U = 63**
11. **100 ÷ E = 10**
12. **1 + C = 4**
13. **11 - W = 4**
14. **6 × Z = 48**
15. **100 ÷ H = 10**
16. **7 + B = 10**
17. **8 - K = 2**
18. **10 × J = 60**
19. **100 ÷ M = 10**
20. **11 - B = 6**

1-10	95	90	85	80	75	70	65	60	55	50
11-20	45	40	35	30	25	20	15	10	5	0
