

Determine which choice best answers each question.

**Answers**

- 1) length of a football field    2) height of a new pencil    3) distance from {NYC} to Albany, NY
- A. 120 inches                    A. 7 inches                        A. 150 inches
- B. 120 feet                        B. 7 feet                            B. 150 feet
- C. 120 yards                      C. 7 yards                        C. 150 yards
- D. 120 miles                      D. 7 miles                        D. 150 miles
  
- 4) height of a bottle of soda    5) height of a stove                6) height of a door
- A. 6 inches                        A. 1 inch                            A. 7 inches
- B. 6 feet                            B. 1 foot                            B. 7 feet
- C. 6 yards                        C. 1 yard                          C. 7 yards
- D. 6 miles                        D. 1 mile                          D. 7 miles
  
- 7) length of a paperclip        8) height of a cereal bowl        9) length of a skate board
- A. 1 inch                          A. 4 inches                        A. 30 inches
- B. 1 foot                          B. 4 feet                            B. 30 feet
- C. 1 yard                        C. 4 yards                        C. 30 yards
- D. 1 mile                        D. 4 miles                        D. 30 miles
  
- 10) width of a forest            11) length of a bug                12) height of a cooking pot
- A. 100 inches                    A. 1 inch                            A. 10 inches
- B. 100 feet                        B. 1 foot                            B. 10 feet
- C. 100 yards                      C. 1 yard                          C. 10 yards
- D. 100 miles                      D. 1 mile                          D. 10 miles
  
- 13) height of a ferris wheel    14) height of a birthday candle 15) height of a car
- A. 75 inches                      A. 2 inches                        A. 5 inches
- B. 75 feet                        B. 2 feet                            B. 5 feet
- C. 75 yards                      C. 2 yards                        C. 5 yards
- D. 75 miles                      D. 2 miles                        D. 5 miles
